About the Utilization of Library Resources :
This event is conducted offline in cad lab , many students attended and gained the knowledge about library resources. In colleges, the library occupies a prominent position and it is an important and integral part of the teaching programme. It is not merely a depository of books, but an active workshop instrument in the production of or original thinking. library extends opportunities for self-education to the deserving and enthusiastic students without any distinction. These libraries develop in each student a sense of responsibility in the pursuit of knowledge. College library stimulates the students to obtain, evaluate and recognize knowledge and to familiarize themselves with the trends of knowledge for further education and learning new disciplines

Event Outcome:
Students attended and gained the knowledge about library resources available in college.
