INDUSTRIAL VISIT

Industrial Visit – Prestige Srihari Khoday Centre for Performing Arts
Next to Forum Mall, Prestige Falcon City, Konanakunte, Bengaluru,
Karnataka-560062

Organizer - Indian concrete institute, Bengaluru

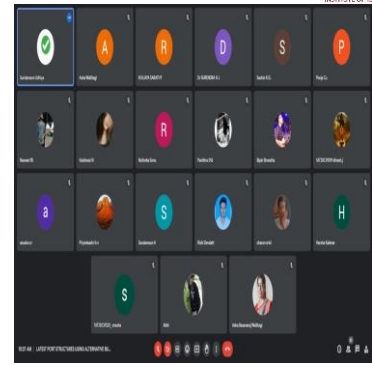

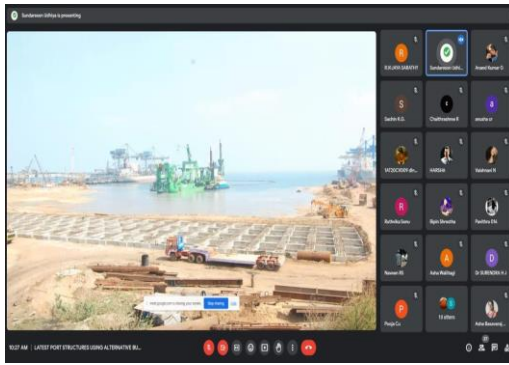

The Indian Concrete Institute-Bengaluru Centre (ICI-BENC) is hosting its two-day biennial flagship event 'Concrete Panorama Deminar (Demo and Webinar)-2023' on Thursday and Friday. This year's theme is 'Micro, Small, Medium and Large Construction Technologies and Innovations'.

As per the organisers, the event is a live demonstration platform for innovative technologies and methodologies that are reshaping the construction industry. Emerging trends such as building-as-a-product concept, specific construction methodologies for the MSML sector, advanced construction materials, and the importance of sustainability and compliance in modern construction are being discussed.

Webinar

Session Name - "Latest Port Structures Using Alternative Building Technologies" Resource Person - Er.A.Sundareson, M.Tech(NIT-Surat) Assistant Manager (CIVIL) Kamarajar Port Limited, Chennai

The webinar covered about Alternative building technologies used in Latest port structures. A port is a location on a coast or shore containing one or more Harbours, where ship can dock and transfer people or cargo to/from land. Repair works for ships are also carried out here. The construction of ports and docks is among the first major developments of human civilization. Ports are one of the most important strategic points of a country’s economy since much of its mass production is usually shipped through them.

PARENT TEACHERS MEETING

The teachers briefed the parents about their ward’s performance during the semester. Together they identified the areas of strength and weakness of the child and sorted out ways to boost the child’s performance. They gave their view points and suggestions to faculties regarding the collage and its development.

PLACEMENT

Our 22 batch student Mr. Chandan B M (1AT19CV009) Placed in Shoba

Developers. Department of Civil Engineering Atria institute of technology Congratulate for his future.....

HIGHER STUDIES

Our Civil engineering graduate student Mr.Sujith Kumar.S joined University Of UOTTAWA,CANADA For Master Department of Civil engineering Congratulate for his achievement.

INDUSTRIAL VISIT

Industrial Visit – INDUSTRIAL VISIT @ SEWAGE TREATMENT PLANT, Hebbal
 Resource Person- Manjunath-Environmental Engineer, BWSSB

The department of Civil Engineering of Atria Institute of Technology organized a one day educational visit to 100 MLD Sewage Treatment Plant at Hebbal on 11th August, 2023 for 4th and 2nd Semester Civil Engineering students. Purpose of the visit was to make students aware about how various preliminary, primary, secondary and advanced processes related to sewage treatment are carried out in the field. The Visit was mandatory to fulfill the curriculum requirement of VTU for Civil Engineering students under the subjects like Public Health Engineering. Main aim of industrial visit is to acquaint the students with the process of municipal waste water treatment. Through industrial visit students are acquainted about new technologies and knowledge. The site Visit was organized with the prior permission of BWSSB, Bangalore.

PLACEMENT TRAINING

Placement Training undertakes various activities such as providing placement assistance, career counseling, higher education counseling and organizing training & development programs for faculty and students. It also drives industry interaction, corporate academic partnerships and majorly recruitments.

INDEPENDENCE DAY

Faculty of Atria Institute of Technology celebrated 77th Independence Day on August 15, 2023. The staff and students of AIT imbibed the vibe of the national festival.

15th August, 2023 was a day of immense pride and joy for all Indians alike. It marked the 77th anniversary of India's Independence. On this day, we Indians celebrate our heroes and freedom fighters that sacrificed their lives for the nation, and brought us freedom, peace, and joy.

The day started off with the hoisting of the national flag by the dignitaries followed by the National Anthem. After this, the Principal gave a deeply enriching and patriotic speech followed by a patriotic song by the staff members.

PLACEMENT

Our 22 batch student Mr.Sai Srikanth (1AT19CV038) Placed in **Shoba Developers**. Department of Civil Engineering Atria institute of technology

Congratulate for his future...
