

**S. MOHAN**

**Education:**

- UGC National Associate, Indian Institute of Technology. N Delhi (1977)
- Ph.D, Thin films, S.V. University, Tirupathi (1974)
- M.Sc, Solid State Physics, S.V. University, Tirupathi (1967)
- B. Sc, Maths, Physics, Chemistry, B.T. College, Madanapalli (1965)

**Experience:**

- Visiting Professor, CeNSE, IISc, Bangalore (since August 2011)
- Honorary Scientific Consultant – High Technology: Industrial Applications in the office of Principal Scientific Adviser, Government of India (since September 2011)
- Honorary Chair, Central Manufacturing Technology Institute (CMTI), Bangalore (since 2011)
- Professor in Super Scale, Department of Instrumentation and Applied Physics, IISc ( Dec 2006 -July 2011)
- Principal Investigator, Centre of Excellence in Nanoelectronics at IISc (May 2006 – July 2011)
- Chairman, Alumni Cell, IISc (Feb 2007 to July 2011)
- Chief Executive, Society for Innovation Development (Innovation Centre) IISc, (Oct 2001 – Oct 2006)
- Director, Central Scientific Instruments Organisation, Chandigarh ( May 1997 – May 1999)
- Chairman, Department of Instrumentation, IISc (Feb. 1995 – Apr. 1997)
- Professor, Instrumentation & Services Unit, IISc (Dec. 1993 to May 2006)
- Associate Professor, Instrumentation & Services Unit ( IISc, 1988 – Dec 1993)
- Principal Scientific Officer, Instrumentation & Services Unit, IISc. (1982 – 1988)
- Senior Scientific Officer, Instrumentation & Services Unit, IISc (1977 – 1982)
- Lecturer, Dept. of Physics, S.V. University, Tirupathi (1970 – 1977)

## Research Area

Electronics Post-silicon options
