

About IQAC

Atria Institute of Technology has established an Internal Quality Assurance Cell (IQAC) on 5th October 2015 as per the guidelines of National Assessment and Accreditation Council (NAAC). The main aim of IQAC is realization of goals of quality enhancement and sustenance. This is achieved by developing a system for conscious, consistent, and catalytic improvement in the overall performance of Institution.

The institution has a Strategic Development Plan (SDP) document which is reviewed every five years. Strategic development planning is a continuous process with a specific focus on accomplishing Institutional strategic goals, departmental long-term, mid-term and short-term goals in this dynamic environment. SDP analyses current environment, expected future scenarios and envisages the future direction of the institution. The IQAC uses this as a guide and has significantly contributed towards improving:

- Curriculum
- Academic Excellence
- Teaching & Learning Process
- Evaluation Methods
- Research atmosphere in the institution
- Synchronization in various activities of the institution
- Institutionalized best practices.

Vision

To build and ensure a quality culture in the institution with conscious, reliable, and transparent efforts through a combination of self and external quality evaluation, promotion, and sustenance initiatives.

Mission

- To channelize and systematize the efforts and measures towards academic excellence through outcome-based education.
- To ensure a learner-centric environment equipped with the latest techniques and technologies of teaching, research and sharing knowledge.
