## Industrial Visit

Industrial Visit - Siwin, sudish institute of waterproofing and insulation, Sadashiunagar, Bangalore

Resource Person Mr. Suresh K, Sr Associate, Siwin, sudish institute of waterproofing and insulation, Sadashiunagar, Bangalore. Coordinated by Prof Ashwini B T & Prof Asha W.

Indian waterproofing Industry is estimated to be of around 6000 crores. Waterproofing is a fundamental constructional requirement. Even though modern buildings are waterproofed every year, a large number of households and commercial premises report leakage and problems related with inadequate methods of waterproofing of the buildings.

The service life of a structure depends on its stability which in turn is dependent on the effective prevention of water ingress. Therefore, the waterproofing of the building is very important and has garnered more attention focussed on it in recent times. There is an urgent need for technically qualified and trained experts in the field of waterproofing to ensure watertight structures.

## Independence Day

Faculty of Atria Institute of Technology, celebrated 75TH Independence Day on August 15, 2021. The staff and students of AIT imbibed the vibe of the national festival .

15th August, 2022 was a day of immense pride and joy for all Indians alike. It marked the 75th anniversary of India's Independence. On this day, we Indians celebrate our heroes and freedom fighters that sacrificed their lives for the nation, and brought us freedom, peace, and joy.

The day started off with the hoisting of the national flag by the dignitaries followed by the National Anthem. After this, the Principal gave a deeply enriching and patriotic speech followed by a patriotic song by the staff members.
