Social and value-based programme: Event list and Implementations

2018-22 batch students are formed into groups and were involved in the following activities.

EVENT: SPREADING PUBLIC AWARENESS UNDER RURAL OUTREACH PROGRAMME

RYAIC

This project aims to develop content in spreading awareness about the deadly disease COVID -19 in rural areas. We the students of group 3 choose to Spread Public Awareness Under Rural Outreach Programme.

There are many outreach programmes, so we particularly take up on Health Outreach Programme, to bring out the awareness in children like social distancing, masking, hand sanitizing which are the basic precautions one should take up for their personal hygiene. Distribution of masks and pamphlets, posters were made to give them better understanding like do's and don'ts in this situation of Covid-19.
