

Atria Business Innovation Center (ABiC)

In today's world of intense competition, it is not enough to simply innovate. Wouldn't you want to get a head start in this race? AAP aims at offering a range of support services and funding opportunities for students with creative ideas and who would want to develop their own start-ups.

ABiC launched two programs:

ABiC Accelerator Program (AAP)

Are you ready to take plunge at entrepreneur? Do you have already great working business model or prototype? If answer is yes to both these questions - AAP is for you.

Send email to AbiC@atria.edu. Register your self by 15th September, 18.

ABiC Incubator Program

This is Idea to Prototype program. Need mentorship to work on prototype? Ask your faculty to give you APAR form. Submit this form with all the details to Abic@atria.edu. We will evaluate your application with the right support from ABiC.

Register at: abic@atria.edu for future information on entrepreneurship events with the subject line "I am interested".
