## **Faculty Development Programme on 'Video Processing Platform for Research'**

Date: **30th July 2019**

Venue: **ECE Research Lab**

Time: **9:30 AM**

Arranged by: **ECE Department**

Head of Department - Dr. Arun Balodi

Coordinator - Prof. Sundari T.

Conducted by: **STARCOMM Information Technology Ltd.**

Participants: **Atria Faculty**

The ECE department organized an FDP on "Video Processing Platform for Research" to train the faculty in 6739 Video Processing Development Board and encourage the faculty for R&D purpose. The Video Processing Platform has been procured through II installment of VGST Grant for the project "Establishment of Advanced Signal Processing Laboratory - Air Borne Character Recognition System."
