Agenda: Decide on the cultural calendar for the year 2019-2020

With the single point agenda, the meeting was called and after a few deliberations, it was decided that during this academic year, the cultural committee of the College will focus on one major event in each semester apart from encouraging our students to participate in other college fests.

For the odd semester, the committee should concentrate on identifying the talented students and prepare them for participation in the VTU fest 2019 and for the even semester the college Annual Cultural Fest Saphrang could be organised.
