

The Department of Electronics and Communication Engineering is conducting a 5 Day's Online Student Development Program (SDP) on "Introduction to IoT, Protocols and hands-on application development using Node-Red" from June 9th - June 14th, 2021, organized by the Department of ECE, AIT.

Highlights:

Introduction about IoT and its architecture.

IoT application protocols, open-source tools.

Department of Electronics & Communication Engineering

Presents

5 Day's Online Student Development Programme

on

"Introduction to IoT, Protocols &
Hands-on application development using Node-Red"

Highlights

- Introduction about IoT and it's architecture.
- IoT application protocols, open source tools.
- Hands-on application development using Node-Red.

JUNE 9TH - 14TH, 2021 | 3:45 PM - 4:45 PM

Dr. Prasuna V N P
Associate Professor
Co-ordinator, ECE, AIT

Dr. Arun Balodi
Associate Professor
Head, Dept. of ECE, AIT

Dr. T N Sreenivasa
Principal, AIT
