DEPARTMENT OF INFORMATION SCIENCE AND ENGINEERING

From

9.12.2021

Dr.P.VIJAYAKARTHIK

Professor and Head,

Dept of ISE,

Sir M.Visvesvaraya Institute of Technology,

Bangalore

To whomsoever it may concern

I have gone through the Innovative Teaching Methods used by the faculties of Information Science and Engineering, Atria Institute of Technology, Bengaluru. The Innovative Teaching Methods used like Role play , Group Discussion, charts, models, video e -content prepared and organized by faculty will be certainly helpful for the students and by using the Innovative Teaching Methods the students will be more interested in Learning the Engineering concepts and this collaborative Learning makes the student more interesting towards the subject. I request to use more Technology based Innovative Teaching Methods like Cloud and Virtual reality which adds more value and practice more innovative Teaching methods in future.

Thanking you,

Yours faithfully,

Dr.P.VIJAYAKARTHIK
