Proceedings:

1. Dr. T N Sreenivasa, Principal, Atria Institute of Technology greeted all the members present online & offline and welcomed each one of them.
2. The proceedings of the Governing Council Meeting held on 10th Jan. 2022 was reviewed and **action taken** are as under:
    a. The number of research scholars is increasing at the Institute level as presented by the Principal.
    b. Efforts are being made to improve the quality of intake; this will be apparent after the next admission cycle (2022 intake).
    c. The Placement officer has made the list of companies not visited the institution as per the suggestions given by the GC members. Some of the companies have confirmed the visit to Atria.
    d. The Institution will plan for Autonomous status after the NAAC Accreditation with a minimum of "A" grade.
    e. Atria I T has moved from Band Beginner to Band Promising status in ARIIA (ATAL Ranking of Institutions on Innovation Achievements) Ranking.
    f. To improve the quality of publication, the Institution has implemented incentive scheme to motivate the faculty members and the Research dean is addressing the faculty department wise to create awareness.
    g. The SWOC analysis of various programs were reviewed and finalized with the assistance of Dr. Balaveera Reddy and the same is uploaded on website.
    h. The ABET accreditation can be considered after Atria gets NIRF ranking within 100.
3. The Principal presented the activities at the Institution level for the last four months, January to April 2022.
4. The Principal informed that we are striving to get good marks in NBA accreditation, the visit is due in June 2022, the date is yet to be confirmed. We have parallelly started looking at the requirements of 2nd cycle NAAC accreditation.
5. The GC members appreciated the efforts of the stake holders and congratulated them.
6. The members commented on the 18th Graduation Day celebrated on 9th April 2022 in a grand scale, they said such activities will definitely brand the institution and take it to the next level.
7. The members felt that the Teaching-Learning should be given more importance as the graduated numbers compared to the admitted numbers is quite less as presented in the graduated data.
