

# DOCTORATES

## DR. M. S. RAJENDRA KUMAR

Professor & Head of the Department,  
PhD (Marketing), PhD (Mechanical Engineering),  
Specialization: Management, Metal Matrix  
Composites,  
Experience: 34 Years

## DR. T. N. SREENIVASA

Professor & Principal,  
PhD (Mechanical Engineering),  
Specialization: Manufacturing & Materials,  
Experienced: 31 Years

## **DR. A. SATHYAANARAYANA SWAMY**

Professor,  
PhD (Mechanical Engineering Science),  
Specialization: Thermal Engineering,  
Experience: 35 Years

## **DR. K. NARASIMHA MURTHY**

Professor,  
PhD (Mechanical Engineering),  
Specialization: Metal Casting Sciences,  
Experience: 34 Years

## **DR. T. P. BHARATHESH**

Professor,  
PhD (Metal Matrix Composite),  
Specialization: Mechanical Engineering,  
Experience: 30 Years

## **DR. RAMESH KUPPUSWAMY**

Professor,  
PhD (Thermal) - Nanyang Technological  
University, Singapore,  
Specialization: Mechanical,  
Experience: 30 Years

## **DR. SHIVALINGAPPA KUBSAD**

Professor,  
PhD (Industrial and Production),  
Specialization: Shock Wave,  
Experience: 27 Years

## **DR. VENKATE GOWDA**

Associate Professor,  
PhD (Hybrid Composite Frequency Analysis) -  
VTU,  
Specialization: Machine Design,  
Experience: 15 Years

## **DR. SUYOG JHAVAR**

Assoc. Professor (Research),  
PhD, IIT - Indore  
Specialization: Mechanical Engineering,  
Experience: 9 Years

## **DR. NIDHI BARANWAL**

Research Assistant Professor,  
PhD (Thermal)- IIT Mandi,  
Specialization: Computational Fluid Dynamics,  
Experience: 3.5 Years
