

3.4.2 Awards and recognitions received for extension activities from government / government recognized bodies

Awards and recognition from government-aided institutions are essential for an Institution's growth and gains credibility in the educational sector. Recognizing and rewarding the people who have shown dedication for serving the society motivates others also to contribute towards nation-building.

Atria Institute of Technology has been also awarded for its commendable and novel work towards Social welfare during the Pandemic for the year 2020-21. Atria foundation took lead and served over 1.50 lakh meals every day in around 100 different locations in Bengaluru during lockdown. Working out of various kitchens, the distribution was done by partners on ground, adhering to all social distancing norms. Around 11,000/- ration kits were also distributed for the needy during pandemic. Over 350 Atria group employees had volunteered for this along with other NGOs and government organizations.

Over the time, the teaching staff and students of Atria Institute of Technology have been awarded by different government and government recognized bodies for their contribution in social welfare activities. More than 50 recognitions have been received from various agencies by the staff of the institution. Certificate of appreciation has been received by 8 faculty for their contribution from IUCEE.

Dr. Shivakumar Award has been awarded to Dr. Surendra HG from the Department of Civil engineering for his contribution towards innovation towards Karnataka Science and Technology. 3 students along with 1 faculty has won 2nd Place in project expo for Shrishti Innovation Exchange Programme.

The Rotaract club of the institution conducts various activities under its arena such as blood donation camps and tree plantation drives. The students also receive participation certificates for their involvement in the events. Around 130 students participated for blood donation drive held at various places. The institution received appreciation certificates from various blood banks for the generous work and donation.

ATRIA INSTITUTE OF TECHNOLOGY

ASKB Campus, 1st Main Rd, AGS Colony, Anand Nagar, Hebbal, Bengaluru, Karnataka 560024, India

Appreciation letters were received by the institution from Gram Panchayat and NGOs for conducting programmes that included voting awareness, importance of education, digital payment and bank applications, waste segregation, conducting village survey, sanitary hygiene and methods of disposal waste, women health and hygiene etc. All these activities were conducted by the institution for social welfare and upliftment of the underprivileged.
