

**5.4.1: There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services**

Atria Institute of Technology (AIT) has a very active Association of Alumni registered under the Society act on 17<sup>th</sup> May 2017 bearing registration number: DRB - 1/ SOR/86/2017-2018. This has been renewed periodically with a bona fide audited statement.

**Exclusive Objectives by the Alumni Association at AIT:**

- The Campus Energized with exquisite activities by the institution's Alumni.
- Facilitate and encourage alumni to contribute towards refinement of infrastructure resulting in 'all round development' of the current students.
- Foster & promote linkages amongst the alumni, organizing meetings & get-togethers resulting in developing personal and friendly relationships.
- Encourage Alumni to take an active and abiding interest in the motivational, team building work and progress of the Institute's future so that it will contribute towards enhancement of the social utility of their Alma Mater.
- Provide a forum for the alumni for exchange of ideas on academic, cultural and social issues of the current scenario.
- Foster the spirit of togetherness among the alumni of the College.

**Alumni help institution carry out following activities:**

**Curriculum Embellishment:** Alumni diligently contribute in identifying the curriculum gap based on needs of the industry & intensification of skill, academics with value addition.

**Board of Advisory Members - Department and Programs:** Members from Alumni Advisory board help to achieve set targets in Outcome Based Education (OBE). They are our prime stakeholders, who are involved in ascertaining the attainment criteria of

OBE. Participation helps to find content beyond the syllabus to bridge the curriculum gap as per industry's requisites.

**Recruiter:** They are in top management level and decision makers in reputed industries. Opportunities are shared with students and eligible students are recruited. Hand-holding by providing Internship opportunities to fellow students are least mentioned.

**Entrepreneurs:** Successful alumni motivate students to be entrepreneurs by sharing their experience through interaction. Strategy shared gives a good insight to enhance their skills.

**Research and consultancy:** Ignite research and consultancy activity in fields like Engineering, automation, software, etc. Alumni members play a vital role, extending their help to the departments by directing the entrepreneurs to carry out consultancy portfolios too in various sectors of the engineering stream.
