7.1 Institutional Values and Social Responsibilities

7.1.1 Measures initiated by the Institution for the promotion of gender equity and Institutional initiatives to celebrate / organize national and international commemorative days, events and festivals during the last five years (Within 500 words) [QLM]

Response:

Atria Institute of Technology is a campus that pays its way towards raising awareness of gender equity concerned of all gender's equal benefits, rights, opportunities and responsibilities in terms of technical, social, cultural, and economic developments through various activities.

The safety of girls is a top priority and the institute provides a comprehensive range of security amenities within the premises, through a dedicated team of security personnel. Keeping in mind the security and safety, the institution is well equipped with CCTV.

The institute provides various facilities to be a part of the college committees like Anti-ragging committee, Social grievance committee, and disciplinary committee.

Students are educated about sexual harassment and the consequences they would face if they do not abide the rules of institution through signboards which are displayed across the institution. The institute has a trained counsellor for counselling students and faculty and provide them with timely help.

National and international commemorative days are celebrated with a lot of interest and energy.

Republic & Independence Day - Republic Day and Independence Day is celebrated each year on 26th January and 15th August respectively.

National Science Day- is celebrated on 22nd February to mark the discovery of the Raman effect and to make students realize the importance and role played by science in our society.

Women's Day- Atria Institute of Technology takes pride in organizing Women's Day every year on 8th March as per the theme suggested by Government of India.
